**ANALYSIS**

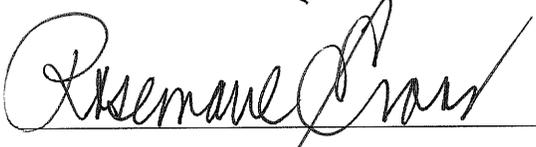

This resolution authorizes the City of Nashua to accept donated materials and services in the amount of approximately \$100,000 from Great American Downtown for improvements to the Riverwalk.

According to the Community Development Division, Great American Downtown received a grant from the MacLean Contributorship, the giving arm of the Telegraph, to collaborate with the City to improve the portion of the Riverwalk near the Nashua Public Library. GAD is using the funds to create a path along the Library parking lot, create a seating area, and install a stairway leading from the Riverwalk down to the Heritage Trail along the river. Great American Downtown is entering into an agreement with the City to perform this work on city property. This legislation authorizes the City to accept the work performed.

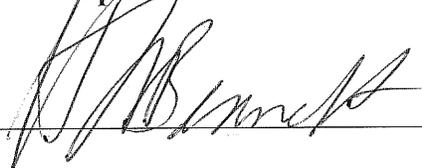

RSA 31:95-e "Acceptance of Personal Property Donated to Towns and Village Districts" provides that prior to the acceptance of any such gift with a value of \$5,000 or more, the aldermen shall hold a public hearing on the proposed acceptance".
