

RESOLUTION

EXTENDING CONGRATULATIONS TO THE NASHUA PAL FORCE SENIOR TEAM '09

CITY OF NASHUA

In the Year Two Thousand and Eight

RESOLVED by the Board of Aldermen of the City of Nashua that congratulations from Mayor Donnalee Lozeau and the Board of Aldermen are hereby extended to the Nashua PAL Force Senior Team '09.

In order for a team to be successful there are multiple factors, beginning with the support of the association they represent, to the commitment from the parents providing transportation to every practice and games, as well as, the financial obligation that families undergo due to the financial costs incurred with a sport such as this; and finally the commitment from the teams themselves to have the ability to *believe* in themselves and each other when the pressure is on and never giving up no matter what happens, recognizing in the end, that no matter what, as long as the do what they have been taught then they are winners already. This team's dedication to each other and their selfless attitudes are an attribute that every successful team must demonstrate. But we all know that you can not be successful without the support of your families. All families go into our season knowing that our goal is to reach the National Championship Competition which is held two weeks before Christmas, and every year each parent has found a way to get their child there.

Most of these girls have been together since Nashua PAL Force commenced six years ago. There is a camaraderie that is clearly seen throughout this team. In the six years since Force began, this group of cheerleaders have managed to win five State titles, three Regional Titles, and Five trips to National Competitions, resulting in Four National Titles. To obtain the accomplishments that the Nashua PAL Force Spirit Organization has had is a tribute to the City of Nashua and the Nashua Sports Community as a whole.

BELIEVE in yourself and each other the rest is history.....

Your enthusiasm, hard work, dedication, sportsmanship and accomplishments bring recognition and pride to the City of Nashua. We thank you for your spirit.

Congratulations to Team Members:
