**Article 1**  
**Agreement**

AGREEMENT, made and entered into as of the 14 th day of September, 200129, by and between The City of Nashua, New Hampshire (hereinafter called the "City") and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW) and its Local # 2232, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), Clerical and Technical Unit, (hereinafter called the "Union").

**Article 2**  
**Recognition**

The City hereby recognizes the Union as the sole and exclusive representative of the clerical and technical employees as certified by the PELRB of New Hampshire as per Appendix A.

The City agrees that it will not discriminate against, intimidate, or coerce any employee in the exercise of their rights to bargain collectively through the Union on account of membership in or activities on behalf of the Union. The City agrees that it will deal with the Union for the purposes of bargaining with respect to wages, hours of duty and working conditions of members of the Bargaining Unit.

Should there be a dispute between an employee and the Union over the matter of an employee's Union membership, the Union agrees to hold the City harmless in any such dispute.

**Article 3**  
**Discrimination**

It is agreed that the City will not discriminate on the basis of sex, race, color, national origin, religion, lawful political or employee's organization affiliation, age, marital status, sexual preference, or non-disqualifying disability, or on any basis prohibited by law.

**Article 4**  
**Union Dues**

An employee, who is a member of the Union, may execute a written authorization providing that a portion of their salary representing monthly dues be withheld weekly and forwarded to the Union. Upon receiving a properly executed Authorization and Assignment Form from an employee, the Local 2232 shall notify the Human Resources/Payroll Department to deduct from salary due, the amount authorized, and a copy of said form acceptable to Human Resources Department shall be furnished thereto in advance of said deduction. A copy of said form is attached as Appendix B.

Each month, a check for the amount of all dues deducted, along with a current list of members from whose salary dues deductions have been made, shall be transmitted to the Treasurer of the Union.

An employee who executes such authorization form shall continue to have such deductions made from their salary during the term the Agreement or until the Human Resource/Payroll Department, with a copy to the Union, are notified that the Authorization and Assessment Form is being revoked, and the employee thus redraws the authority for the deduction of dues. Dues deductions shall be made without cost to the employee or the Union.

Dues deductions shall be subordinate to deductions required by law and other deductions. No deductions shall be made if an employee has insufficient salary in any pay period. The City of Nashua shall not be responsible for deducting any arrearage in dues owed to the Union by a member, or any special or other assessment by the Union, with the exception of the deduction of initiations fees if expressly authorized on the form noted above.

Deductions shall automatically terminate upon the occurrence of any of the following events:

1. Termination of employment;
2. Transfer out of the bargaining unit;
3. Lay-off;
4. Revocation by the employee of Dues Authorization.

The Unit shall indemnify and save harmless The City of Nashua in and on account of any and all claims, suits and damages arising out of, or in relation to, such dues deductions.

#### **Article 4A Agency Fee**

An employee who elects not to pay Union Dues shall pay an agency fee for services rendered by the Union commensurate with the employee's fair share apportionment for the cost of collective bargaining, contract administration, and grievance adjustment. The City agrees to collect agency fees in the same method and manner as the collection of Union dues.

#### Union Fees -- Grievances

Some employees' positions are subject to the terms and conditions of this agreement by virtue of inclusion in this bargaining unit although the employees have chosen not to join the union or pay agency fees. In the event that such an employee wishes to file and/or appeal a grievance under the terms of this agreement, the Union will represent such employee upon request in exchange for the following fee:

<u>Grievance Procedure Through Step:</u>	<u>Fee:</u>
1	\$ 50.00
2	\$ 150.00
3	\$ 300.00
4	\$ 400.00 (where applicable)

5 \$2,000.00 (plus arbitrator and filing fees,  
lost time of witnesses, travel expenses, and  
other costs, etc.)

All fees are to be paid up front for the above named services.

#### **Article 5 Employee Rights**

It is agreed that neither the City nor its Departments will:

- A. Dominate or interfere in the formation and administration of the Union;
- B. Discriminate in the hire, tenure, or the terms and conditions of employment of employees or potential employees, for the purpose of encouraging or discouraging membership in the Union;
- C. Discharge, suspend, discipline, or otherwise discriminate against any employee because the employee has filed a complaint, affidavit, or petition, or given information or testimony on a grievance, as set forth in RSA 273-A;
- D. Restrain, coerce, or otherwise interfere with the Union in the exercise of rights granted by statute.

It is the intention of all the parties that this article provides that the Union shall enjoy all the rights secured by RSA 273-A.

#### **Article 6 Management Rights**

Except as otherwise provided for in this agreement, the City of Nashua, its respective Boards or Commissions and officers, shall have, whether exercised or not, all the rights, powers, and authority vested in it by virtue of the Statutes of the State of New Hampshire and the Nashua City Charter and Ordinances, now or hereinafter enacted including, but not limited to, the rights to:

- A. Control the management and administration of the City of Nashua;
- B. Hire, promote from within, transfer, assign, retain, layoff, and direct employees within the City of Nashua;
- C. Suspend, demote, discharge and take other disciplinary actions against employees for just cause;
- D. Issue, modify, and enforce Rules and Regulations which do not expressly violate the terms of this Agreement.

- E. Determine the methods, means, and personnel by which the City of Nashua's operation are to be conducted, as well as to determine those operations and to assign duties, hours, and responsibilities to its employees accordingly;
- F. Exercise control and discretion over the City of Nashua, its organization, and the technology or lack thereof of performing its work;
- G. Determine the standards of selection for employment and the standards of service to be offered by the City of Nashua;
- H. Assign Union employees to work in any job classification as needed, in the judgment of the appropriate supervisor or manager.
- I. Exercise managerial policy, as set forth in RSA 273-A;
- J. Schedule the hours and days of work whether for emergency purposes or not.

The foregoing Management rights are set out for purposes of illustration and not limitation; the City of Nashua retains all such rights, powers, and authority, whether exercised or not, conferred upon it by law.

#### **Article 7** **Strikes and Work Stoppages**

The Union shall not instigate, sponsor, or encourage any activity or action in contravention of the provisions or intent of the Agreement.

No employee shall, alone or in concert, engage in, initiate, sponsor, support or direct a strike, work stoppage, or refuse in the course of employment to perform assigned duties; or withhold, curtail or restrict services or otherwise interfere with the operations of the City of Nashua or encourage others to do so; or engage, or participate in any other form of job action.

#### **Article 8** **Work Week and Work Schedule**

- A. The work week shall consist of seven (7) consecutive twenty-four (24) hour periods and shall stay consistent with current practice.
- B. The normal work schedule shall consist of five (5) consecutive eight (8) hour work days.
- C. Employees engaged in continuous operations such as BPW, and other jobs where employee's are ordered on call at any hour of the day, shall have regular working hours and regular work weeks to suit specific jobs in these continuous operations as practiced as of the date of execution.
- D. The City may establish working hours for jobs having other than normal requirements.

- E. Any change in the regular work schedule hours shall be the subject of discussions between the Union and the City before being implemented. This subsection shall not be construed to reduce or impair managements authority pursuant to the article entitled "Management Rights" supra.

#### **Article 9 Overtime**

Overtime may be required of all employees. Compensation therefore shall be paid as required by the Fair Labor Standard Act and other pertinent law. Nonexempt employees called in from home to work shall receive a minimum of three (3) hours pay therefore at the applicable rate. Employees who are "on call" or subject to the provisions of a written procedure established by management requiring periodic work outside their regularly scheduled hours shall be paid any additional pay provided for in such procedures.

For any employee in the Public Works Division, time and one half the employee's regular hourly pay shall be paid for work assigned and performed in excess of eight (8) hours in a work day, or in excess of forty (40) hours in a work week. Paid Earned Time, paid holidays, military active duty for training, jury duty, bereavement leave, or other excusable reasons of similar urgency, shall be considered as time worked for the purpose of computing overtime pay.

When Park Department foremen go on permanent night shift assignment, all overtime for these employees in the Park Department will be based on the premium rate of pay (base pay plus shift differential) for all overtime work performed.

Overtime shall be allocated within a department on a rotating basis starting with the most senior qualified employee. The next round of overtime shall begin with the next senior employee not previously contacted for overtime. Once the list is at the bottom (least senior employee) the list will start again with the most senior. All qualified bargaining unit members in the division shall be offered overtime before members of other units.

Notwithstanding the foregoing, overtime in emergency situations shall be assigned as determined by management in order to best address the emergency. In this event, employees required to work overtime for the emergency will be skipped over the next time they would be eligible for non-emergency overtime.

For the purposes of this section, seniority shall be calculated on the same basis as Job Posting/Lay-offs and Recall.

The City and the Union will jointly maintain an updated overtime rotation list. The Union will provide the City with any changes in contact information. These changes will be made to the list as soon as they are received from the Union. Any errors in allocating overtime will be corrected immediately by placing the missed individual at the top of the overtime list and giving him or her the next overtime opportunity. This subsequent opportunity will be offered for the same number of hours as the missed opportunity. The employee's original position on the overtime list will not change with this action. Corrections of errors in allocating overtime shall be handled in this manner not more than once per individual employee per fiscal year.

Employees who agree to be "on call" shall be compensated one (1) hour of overtime rate (time and a half) per day. The employee will be issued a pager and respond to it if paged.

Overtime opportunities for street foremen shall be as follows:

- List A: Street Foremen
- List B: Other Street Department Foremen
- List C: Other qualified UAW employees in the Street Department
- List D: Park Department Foremen
- List E: All other qualified UAW employees

Snow overtime opportunities for street foremen shall be as follows:

- List A: Street Foremen
- List B: Other Street Department Foremen
- List C: Other Snow Route Foremen, not in the Street Department
- List D: Other qualified UAW employees in the Street Department
- List E: Park Department Foremen
- List F: All other qualified UAW employees

In the event that no one volunteers for duties relative to snow operations, any new UAW employee hired or promoted on or after June 2, 2003 is required to be available for snow-related overtime and will be assigned by reverse seniority on a rotating basis.

Anyone who is on Earned Time Leave or who is under medical restrictions or who has reasonable justification for not being available shall not be required to accept overtime assignments.

The City shall provide the Union with the qualifications necessary to assume, on a temporary basis, the duties of a snow route foreman, and once an employee has been determined to have these qualifications, the employee shall be included in List F.

The City shall provide any necessary training to allow employees to become qualified for these snow operations.

#### **Article 10** **Seniority**

Seniority shall be defined as the continuous length of service with the City of Nashua. For the purpose of Lay-offs, Recall and Job Postings seniority shall be in accordance with the following:

**Three points [3]** shall be awarded for each completed year an employee works in a specific department.

**Two points [2]** shall be awarded for each completed year an employee works in a specific division, and out of the department.

**One point [1]** shall be awarded for each completed year an employee works for the City and out of the division, and out of the department.

Seniority shall be based on the total number of points an employee has accumulated.

For an example an employee with eleven years with the City in continuous service, and as follows:

department	division	city

**Mileage Reimbursement**

**Use of City owned vehicles**

If you are assigned a City-owned vehicle and are allowed to take the vehicle home at night and on weekends, the Internal Revenue Service has ruled that the personal use of the city owned vehicle, that is commuting back and forth to work and any other non-work use, is subject to federal withholding and social security tax, where applicable. This rule does not apply to emergency vehicles specifically police and fire vehicles.

The deductions therefore will be made weekly, based on an annual evaluation of the value of the personal use of the vehicle. The personal use value shall be as required by the Internal Revenue Code and Regulations.

The multiplier used to determine the employees deduction shall be the current Internal Revenue Service mileage reimbursement rate.

~~Fixed m~~ **Mileage reimbursement**

If by nature of your job description you are required to use your privately owned vehicle the ~~following reimbursement schedule shall be implemented~~ you shall be reimbursed at the current city mileage reimbursement rate or the current Internal Revenue Service mileage reimbursement rate, whichever is higher. Requests for reimbursements must be submitted within 30 days of the date the mileage was incurred. The City will provide AFR10 mileage logbooks for recording mileage.

~~For the purposes of this section the fixed rate schedule shall be based on an annual budgeted item then divided into equal monthly payments. The fixed rate mileage reimbursement figures are based upon the employees daily percentage of time in the field.~~

~~The following monthly payment schedule per employee, computed on a yearly basis:~~

Building and Utilities Inspectors	\$380.00
Code Enforcement Officers	\$255.00
Engineering Inspectors	\$130.00

~~Any \$0.25 per gallon increment increase or decrease over the American Automobile Association (AAA) published average price of a gallon of gasoline as of the date that the cost items of this agreement are approved by the legislative body will result in a ten dollar (\$10.00) increase or decrease in the monthly flat rates. Provided, however, that the rates shall not increase more that four times above nor go below those stated in the above schedule. The American Automobile Association (AAA) will be utilized as a backup reference in the event that Gas Buddy no longer publishes the average price of gasoline.~~

~~Building and Utilities Inspectors shall include the Assistant Building Inspector(s), but only when they are required to perform inspections. The amount shall be prorated on a daily basis, for the number of days when they are required to perform inspections.~~

~~Employees who are currently covered under the above payment schedule, and who have worked and been paid overtime, may submit mileage reimbursement in accordance with the IRS reimbursement rate for the overtime hours.~~

All employees in the positions stated above who, at the date of the signing of this collective bargaining agreement, currently use their privately owned vehicle, shall be allowed to continue to do so through the remainder of this collective bargaining agreement.

~~Employees on an unpaid leave, out on long term disability, or on Earned Time Leave for more than ten consecutive days will not receive mileage reimbursement for the month(s) missed and will receive prorated reimbursement for months partially attended.~~

~~All others not covered by this section should be reimbursed at the current city mileage reimbursement rate or the current Internal Revenue Service mileage reimbursement rate whichever is higher.~~

**Article 33**  
**Travel**

Occasionally employees travel as part of their duties. When the need for travel occurs the City shall pay all cost related to the travel consistent with the City's travel policy. Cost shall include, but not be limited to: transportation cost [plane, train, automobile rental [if required], automobile at the prescribed mileage rate, etc.], meals including tax and tip, lodging [including all taxes and a five (5) minute phone call home each night] and other reasonably related miscellaneous expenses.

Travel mileage payments shall be computed by the Financial Reporting Office in accordance with the approved travel tables prepared by the New Hampshire Department of Transportation and Rand McNally.

**Article 34**  
**Personnel File**

Every employee covered under this Agreement shall be entitled to access to supervisory records and reports of competence, personal character and efficiency, along with all other information maintained in their official personnel file. The City shall allow the employee access to their file within twenty four (24) hours notice. Upon request the City shall copy the file for the employee. Subsequent copies will be made at cost.

**Article 35**  
**Protective Clothing**

The City shall provide employees with all legally required protective clothing at City expense. The City will, in its reasonable discretion, provide protective clothing and equipment to employees performing operations in departments where it determines that such clothing and equipment will enhance employee safety or comfort.

In addition, the City will provide employees with a clothing allowance adequate to purchase four (4) sets of uniforms per year in departments where uniforms are required.

**Article 36**  
**Performance Evaluations**

Performance evaluations shall be completed annually by the employees direct supervisor on or about June 30<sup>th</sup> of each year. The employee will not be required to sign said evaluation until such a time as all reviewing persons have had a chance to comment.

The City and the Union (both UAW units) shall form a six (6) person committee made up of three (3) Union members (with at least one member from each UAW unit) and three (3) City (management) members. This committee shall review the existing employee evaluation forms, which shall be used in the interim. Any recommendations by a majority of the committee on changes to the evaluation form shall be implemented for the following evaluation year.

~~Progress reviews shall take place midway before the annual evaluation indicating whether or not the employee is meeting the goals and objectives established at the beginning of that fiscal year.~~

### Article 37 Wages

Effective July 1, 2011~~09~~, increase the compensation grid by ~~0.40.5%~~, with all employees on the grid receiving the corresponding increase as of July 1, 2011~~09~~ or date of hire, whichever is later. Only employees who are active employees on the date when cost items receive final approval are eligible to receive this increase.

~~Eligible employees who receive a satisfactory job evaluation on June 30, 2009 will receive a one step increase on July 1, 2009. Only employees who are active employees on July 1, 2009 are eligible to receive this increase.~~

Effective July 1, 2012~~10~~, increase the compensation grid by ~~0.41.0%~~, with all employees on the grid receiving the corresponding increase as of July 1, 2012~~10~~ or date of hire, whichever is later.

Eligible employees who receive a satisfactory job evaluation on June 30, 2013~~10~~ will receive a one step increase on July 1, 2013~~10~~.

The parties agree that the increases to the grid are cost of living increases and that only the steps on the resulting grid constitute part of a pay plan under RSA 273-A:12, VII.

In the event that an employee has not completed a satisfactory evaluation on June 30 of a fiscal year, the supervisor may, at his or her discretion, extend the employee's evaluation period for a period not to exceed 3 months. At the completion of that period, the supervisor will conduct an evaluation to determine if the employee has completed the goals for which he or she is being evaluated. If the employee then receives a satisfactory evaluation, he or she will be eligible to receive the step raise.

In the event that an employee is reclassified to a higher position within the bargaining unit, he or she will be eligible to receive the step raise regardless of the effective date of the reclassification.

Any newly hired employee or any employee promoted on or before December 31 of any calendar year will be eligible for a step raise provided that they receive a satisfactory performance evaluation for that evaluation period.

A list of initial grade assignments is attached as Appendix E. It is agreed that, during the term of this agreement, new positions may be created or grade assignments may change due to reclassifications. The City will pay the employee based on the new grade assignment.

**Provision applicable to the FY201012-FY201114 contract:**

If any city bargaining unit receives a more favorable wage package, the Union may open the wage portion of this agreement for renegotiation.

**Article 38**  
**Parking Garage**

All employees covered under this Agreement shall be allowed to park at no cost to the employee in any City owned or leased lot or garage while on city business.

The City will make parking passes available to all employees covered under this Agreement, to be used for travel to City Hall and other City locations on City business.

City Hall parking will be allowed in the Elm Street Parking Garage on the second level beyond the open gate or on the upper levels.

**Article 39**  
**Bulletin Boards/Mail**

**Bulletin Boards**

The City agrees to provide space for suitable bulletin boards in convenient places in each work area, to be used by the Union. The Union shall limit its posting of notices and bulletins to each bulletin board. Posted materials and notices shall pertain only to union business. The Union agrees to maintain such bulletin boards in a neat and orderly condition.

**Mail**

Officers or officials of the Union shall have the right to reasonable use of the City's in-house mail service for correspondence related to grievances.

**Article 40**  
**Disciplinary Procedures**

A. It is agreed that the City has the right to discipline or discharge employees for just cause. Discipline shall be corrective in its nature and ordinarily utilized progressively. Disciplinary actions shall normally follow the order below:

1. Verbal warnings
2. Written warnings
3. Suspensions without pay
4. Discharges

Demotion may be used for disciplinary purposes in appropriate instances. In the event of suspension, demotion, or discharge, the reasons for the action taken will be given in writing to the employee within 24 hours.

It is understood that the severity of any particular infraction may warrant deviation from the aforementioned steps.

- B. Any employee disciplined or discharged shall, be entitled to the provisions of the Grievance Procedure, and will be allowed a representative of their choosing. If requested in writing by the employee, a hearing must be held with the Union, Division Director and the Human Resource Manager within seven (7) calendar days of the disciplinary action or discharge.
- C. Provided that the employee has not had recurrence of discipline within the specified period, written warnings will be removed from the employee's personnel file after twelve (12) months and all suspension shall be removed within two (2) years . The prior unexpired discipline is carried during the period of any subsequent equal or greater discipline.

**Article 41**  
**Earned Time**

**Generally:**

Earned Time is an alternative approach to the traditional manner of covering absence for vacation, personal leave days, sick leave, and other types of leave. Instead of dividing benefits into a specific number of days for each benefit, earned time amalgamates these days, into a single benefit. Earned Time can be used for a variety of purposes including a payment in cash at the time of termination, but only as provided in this Article. Earned Time is accrued for any month in which an employee has been employed at least fifteen (15) calendar days, beginning the first day of any month. Paid leave and absences for jury or military reserve duty are considered time worked for Earned Time accrual purposes. While an employee will earn Earned Time days during his or her probationary period, he or she cannot take Earned Time until they have completed ninety (90) calendar days of employment with the City. If an employee leaves City employment before they have worked ninety (90) days, they will not be paid for any accrued Earned Time.

**Coverage:**

Employees who are employed in a position at least (20) hours per week are eligible to earn Earned Time. Part time employees, those working less than 40 hours, accrue earned time on a pro-rated basis. The accrual rates for full time employees are as follows:

Bargaining unit members employed by the city on June 30, 2009 shall continue to accrue Earned Time on the following schedule:

<b>Years of Service</b>	<b>Days Accrued per Month</b>	<b>Total Annual Days</b>
less than 5 years	2.25	27.0
5 to less than 10 years	2.50	30.0
10 to less than 15 years	3.00	36.0
15 years to less than 20 years	3.25	39.0
20 or more years	3.50	42.0
30 or more years	3.75	45.0

Bargaining unit members hired after June 30, 2009 shall accrue Earned Time on the following schedule:

<b>Years of Service</b>	<b>Days Accrued per Month</b>	<b>Total Annual Days</b>
less than 5 years	2.25	27.0
5 to less than 10 years	2.50	30.0
10 or more years	3.00	36.0

Years of service means continuous length of service with the City in accordance with Article 10, Seniority.

**Breaks in Service:**

In the event of reemployment after a break in service, as defined in Article 10, not exceeding 2 years, the employee shall accrue earned time as if that break in service had not occurred.

**Usage:**

All use of earned time shall be arranged in advance by the employee, and approved by his/her supervisor prior to the date of absence, except as provided in this paragraph. Earned Time days/hours may be used after being accrued. Earned Time is ordinarily used at the rate of one day of Earned Time for each day of absence. Employees presenting a request to use earned time less than 18 hours before the earned time use is to begin shall use earned time at the rate of 1 1/4 days of earned time for each day of absence. This special rule will not apply to the first seven (7) occurrences in any calendar year. Earned time shall be used in increments of hours under the FLSA. An occurrence shall be defined as the use of two (2) or more hours of Earned Time without the 18 hour prior notification. Notification may take place in person or via email or voice mail. When an employee calls in sick and subsequently remains ill for additional days, the employee shall only be charged 1 1/4 day of Earned Time for the first day of the illness. Should the illness extend for longer than a three-day period, the employee may be required to present a doctor's certificate or other evidence satisfactory to the city. Said certificate shall state that the employee was unable to work due to illness.

**Termination of Employment and/or Voluntary Quit:**

In the event of termination of employment, 100% of the terminated employee's earned time balance will be paid to him/her. In the event of termination due to layoff, 100% of the terminated employee's earned time balance will be paid to him/her. The employee may elect to defer payment for up to two years in anticipation of possible recall.

**Retirement:**

One hundred percent (100%) of any employee's unused Earned Time balance will be paid at retirement. "Retirement" shall be defined by the New Hampshire Retirement System or by Ordinance pertinent to the Board of Public Works Retirement System, as may be appropriate.

**Maximum Accruals:**

Earned Time accumulation shall not exceed sixty (60) days and total Earned Time days and Sick Leave Pool days combined shall not exceed one hundred forty-four (144) days in the aggregate. Balance in excess of these accruals shall be lost.

**Staffing Considerations:**

The parties expressly agree that all leave usage shall be effected in a manner consistent with the staffing and operational needs of the City so that services are efficiently provided to the Nashua Community. The parties agree to work cooperatively to achieve this goal. Abuse of the benefits conferred in these articles may be grounds for discipline.

**Article 42**

**Individualized Sick Leave Pools**

**Generally:**

The sick leave pool is intended to provide security by allowing each employee to provide for extended illness, or other disability of the employee, or for the care of a sick family member, consisting of the following: employee's spouse, children, brother, sister, parents, or grandparents. The term spouse shall include domestic partner. When acquiring Pool days, employees convert Earned Time days on a one to one and one half (1 to 1 1/2) Sick Pool days basis. The employee may pick a given number of Earned Time days to exchange for Sick Pool days. This conversion is available annually in the employee's anniversary month. All Sick Pool conversion and usages is governed by this Article.

Sick Pool days are available for use only under the conditions listed below:

1. Use of Sick Pool days must begin on or after the fifth consecutive work day absence caused by illness, injury, or other disability certified in writing to the City by a physician.
2. The employee may continue using Sick Pool days until Sick Pool balance is zero at which point the employee may elect to use any remaining Earned Time.
3. Care of chronically ill relative or friend, or maternity/paternity leave, but only if the need for such leave is documented by a physician to the satisfaction of the City.
4. Doctor's reports may be required by the City at any time. Sick Pool leave may be denied by the City in the event that physician's certifications are not provided by the employee in accordance with this Article.

**Maximum Balances:**

No employee's Sick Pool balance shall exceed forty (40) days. A balance of up to ninety (90) days may result from initial conversion by employees of the City so employed on the date of execution of this agreement. No additional Earned Time days may be added or converted to the Individualized Sick Pool Leave until balance of that account is below 38.5 days.

**Retirement:**

Employees retiring from the City service shall be paid at their current straight time or salary rate for their Sick Pool balances, but shall not be paid therefore in the event of termination or resignation.

**Article 43**  
**Professional Affiliations/Licensing**

The City shall bear the cost of all licenses and/or certifications required by various regulatory agencies [local, state and federal] to maintain the employees qualifications.

**Article 44**  
**Safety Committees**

Two safety committees, each consisting of an equal number of union and management members, shall be formed to evaluate various safety issues and concerns. One safety committee shall consist of UAW Department of Public Works Employees and other UAW employees who perform significant work outside of City offices. The other safety committee shall consist of UAW employees who primarily perform office work. The committees shall make recommendations for implementation. The City shall provide information to the committee as requested, and shall provide the necessary clerical and/or administrative assistance as needed.

**Article 45**  
**Union Business Leave**

There shall be a total of twenty (20) days of unpaid Union Business Leave per fiscal year for each UAW unit, which may be used by employees for participating in Union activities. Elected Officials and Unit Chairs may be granted unpaid leaves of absence for Union Business Leave not to exceed a collective total of an additional ten (10) working days per fiscal year for each UAW unit. No employee shall take more than 10 days of Union Business Leave unless mutually agreed by the parties. Requests for leave must be made by the individual to the supervisor, with the Union's approval, reasonably in advance of the use of the Union Business Leave to allow for appropriate coverage of operations. The City shall have the right to deny requests for Union Business Leave in the event granting such leave would result in an adverse impact on operations, however, such requests shall not be unreasonably denied.

When elected officials and unit chairs use paid time for union business, including contract administration, adjusting grievances, meeting with new employees and consultation with management, they will report the time that they commence and the time that they finish that union business to their supervisor.

**Article 46**  
**Working out of Classification**

An alternate rate equal to twenty cents (\$0.20) per hour less than the current regular rate paid for the alternate position will be paid to bargaining unit employees that have been assigned to work in a classification higher than the employee's regular classification, provided that the employee has worked a minimum of four (4) hours in any one (1) calendar day for an accumulated period of forty (40) hours within a twenty-four (24) month period. Once the employee meets the minimum requirements, then they shall remain eligible for the alternative rate indefinitely.

**Article 47**  
**Duration of Agreement**

This Agreement between the Union and the City shall commence as of July 1, 2011~~09~~, and terminate at midnight on June 30, 2014~~11~~. A party desiring to negotiate a successor agreement hereto shall give notice to the other party at least 180 days in advance of the expiration date hereof, otherwise this agreement shall be renewed for a period of one year without change. If such notice is given, the parties shall negotiate a successor agreement in good faith, in advance of the expiration hereof if possible, and if said successor agreement has not been concluded by the expiration hereof, the parties shall abide by the terms and conditions hereof thereafter to the extent required by law.

**Article 1**  
**Agreement**

AGREEMENT, made and entered into as of the \_\_\_\_\_th day of \_\_\_\_\_, 2012, by and between The City of Nashua, New Hampshire (hereinafter called the "City") and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW) and its Local # 2232, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), Clerical and Technical Unit, (hereinafter called the "Union").

**Article 2**  
**Recognition**

The City hereby recognizes the Union as the sole and exclusive representative of the clerical and technical employees as certified by the PELRB of New Hampshire as per Appendix A.

The City agrees that it will not discriminate against, intimidate, or coerce any employee in the exercise of their rights to bargain collectively through the Union on account of membership in or activities on behalf of the Union. The City agrees that it will deal with the Union for the purposes of bargaining with respect to wages, hours of duty and working conditions of members of the Bargaining Unit.

Should there be a dispute between an employee and the Union over the matter of an employee's Union membership, the Union agrees to hold the City harmless in any such dispute.

**Article 3**  
**Discrimination**

It is agreed that the City will not discriminate on the basis of sex, race, color, national origin, religion, lawful political or employee's organization affiliation, age, marital status, sexual preference, or non-disqualifying disability, or on any basis prohibited by law.

**Article 4**  
**Union Dues**

An employee, who is a member of the Union, may execute a written authorization providing that a portion of their salary representing monthly dues be withheld weekly and forwarded to the Union. Upon receiving a properly executed Authorization and Assignment Form from an employee, the Local 2232 shall notify the Human Resources/Payroll Department to deduct from salary due, the amount authorized, and a copy of said form acceptable to Human Resources Department shall be furnished thereto in advance of said deduction. A copy of said form is attached as Appendix B.

Each month, a check for the amount of all dues deducted, along with a current list of members from whose salary dues deductions have been made, shall be transmitted to the Treasurer of the Union.

An employee who executes such authorization form shall continue to have such deductions made from their salary during the term the Agreement or until the Human Resource/Payroll Department, with a copy to the Union, are notified that the Authorization and Assessment Form is being revoked, and the employee thus redraws the authority for the deduction of dues. Dues deductions shall be made without cost to the employee or the Union.

Dues deductions shall be subordinate to deductions required by law and other deductions. No deductions shall be made if an employee has insufficient salary in any pay period. The City of Nashua shall not be responsible for deducting any arrearage in dues owed to the Union by a member, or any special or other assessment by the Union, with the exception of the deduction of initiations fees if expressly authorized on the form noted above.

Deductions shall automatically terminate upon the occurrence of any of the following events:

1. Termination of employment;
2. Transfer out of the bargaining unit;
3. Lay-off;
4. Revocation by the employee of Dues Authorization.

The Unit shall indemnify and save harmless The City of Nashua in and on account of any and all claims, suits and damages arising out of, or in relation to, such dues deductions.

#### **Article 4A Agency Fee**

An employee who elects not to pay Union Dues shall pay an agency fee for services rendered by the Union commensurate with the employee's fair share apportionment for the cost of collective bargaining, contract administration, and grievance adjustment. The City agrees to collect agency fees in the same method and manner as the collection of Union dues.

#### **Union Fees – Grievances**

Some employees' positions are subject to the terms and conditions of this agreement by virtue of inclusion in this bargaining unit although the employees have chosen not to join the union or pay agency fees. In the event that such an employee wishes to file and/or appeal a grievance under the terms of this agreement, the Union will represent such employee upon request in exchange for the following fee:

Grievance Procedure Through Step:	Fee:
1	\$ 50.00
2	\$ 150.00
3	\$ 300.00

Overtime shall be allocated within a department on a rotating basis starting with the most senior qualified employee. The next round of overtime shall begin with the next senior employee not previously contacted for overtime. Once the list is at the bottom (least senior employee) the list will start again with the most senior. All qualified bargaining unit members in the division shall be offered overtime before members of other units.

Notwithstanding the foregoing, overtime in emergency situations shall be assigned as determined by management in order to best address the emergency. In this event, employees required to work overtime for the emergency will be skipped over the next time they would be eligible for non-emergency overtime.

For the purposes of this section, seniority shall be calculated on the same basis as Job Posting/Lay-offs and Recall.

The City and the Union will jointly maintain an updated overtime rotation list. The Union will provide the City with any changes in contact information. These changes will be made to the list as soon as they are received from the Union. Any errors in allocating overtime will be corrected immediately by placing the missed individual at the top of the overtime list and giving him or her the next overtime opportunity. This subsequent opportunity will be offered for the same number of hours as the missed opportunity. The employee's original position on the overtime list will not change with this action. Corrections of errors in allocating overtime shall be handled in this manner not more than once per individual employee per fiscal year.

Employees who agree to be "on call" shall be compensated one (1) hour of overtime rate (time and a half) per day. The employee will be issued a pager and respond to it if paged.

Overtime opportunities for street foremen shall be as follows:

- List A: Street Foremen
- List B: Other Street Department Foremen
- List C: Other qualified UAW employees in the Street Department
- List D: Park Department Foremen
- List E: All other qualified UAW employees

Snow overtime opportunities for street foremen shall be as follows:

- List A: Street Foremen
- List B: Other Street Department Foremen
- List C: Other Snow Route Foremen, not in the Street Department
- List D: Other qualified UAW employees in the Street Department
- List E: Park Department Foremen
- List F: All other qualified UAW employees

In the event that no one volunteers for duties relative to snow operations, any new UAW employee hired or promoted on or after June 2, 2003 is required to be available for snow-related overtime and will be assigned by reverse seniority on a rotating basis.

Anyone who is on Earned Time Leave or who is under medical restrictions or who has reasonable justification for not being available shall not be required to accept overtime assignments.

The City shall provide the Union with the qualifications necessary to assume, on a temporary basis, the duties of a snow route foreman, and once an employee has been determined to have these qualifications, the employee shall be included in List F.

The City shall provide any necessary training to allow employees to become qualified for these snow operations.

#### **Article 10** **Seniority**

Seniority shall be defined as the continuous length of service with the City of Nashua. For the purpose of Lay-offs, Recall and Job Postings seniority shall be in accordance with the following:

**Three points [3]** shall be awarded for each completed year an employee works in a specific department.

**Two points [2]** shall be awarded for each completed year an employee works in a specific division, and out of the department.

**One point [1]** shall be awarded for each completed year an employee works for the City and out of the division, and out of the department.

Seniority shall be based on the total number of points an employee has accumulated.

For an example an employee with eleven years with the City in continuous service, and as follows:

department	division	city
5	3	3

would have 24 points  $[5 \times 3 + 3 \times 2 + 3 \times 1]$ .

The City shall furnish the Union Chairperson with an up-to-date Seniority List on a monthly basis. The City will also furnish the names of all new hires, promotions, layoffs and terminations on a weekly basis.

Seniority shall be broken for the following reasons:

- a) If the employee quits or retires.
- b) If the employee is discharged for just cause.
- c) If the employee is laid off for a period of time greater than two (2) years.

Until an employee has served the probationary period, the employee has no seniority status and may be discharged or laid off without cause. Upon successful completion of the probationary period, seniority will accrue retroactively to the date of hire.

The employee shall accumulate seniority while on an authorized leave of absence.

#### **Article 11** Grievance Procedure

In the event that differences arise with respect to any provision of this Agreement, an earnest effort shall be made to settle such differences promptly in the following order and manner:

**Step I** An employee shall present an oral grievance with or without the assistance of the Union to the employee's immediate supervisor. The supervisor shall respond to the grievance within five (5) working days. If the grievance is not settled at this step, the grievance may proceed to the next step. The employee will be paid at the employee's regular rate of pay for time spent presenting the oral grievance, if during work hours. Any resolution of the grievance shall not be inconsistent with the terms of this agreement. The Union shall be notified of the resolution of the grievance.

**Step II** The grievance shall be set forth in writing on the form as provided in Appendix C.

The grievance must be signed by the aggrieved employee and Union Representative, and presented to the employee's Department Head within five (5) working days after receipt of the supervisor's decision in step I.

The Department Head will be given five (5) working days after the receipt of the grievance to have a meeting with the aggrieved party and communicate a decision in writing to the Union. If the grievance is not settled to the satisfaction of the employee

and the Union, or if no reply is communicated after the five (5) working days, the grievance may proceed to Step III.

The city and the union may agree to proceed directly from Step I to Step III in an effort to expedite the grievance process

**Step III** The Union will inform the Division Director and Human Resources Manager of the grievance, in writing and within five (5) working days of the Department Head's decision or lack thereof. The Union shall provide the Division Director and Human Resources Manager with copies of all prior communications. The Division Director and/or the Human Resources Manager will be given ten (10) working days to jointly meet with the union representative and aggrieved employee and communicate a written decision to the Union.

If the grievance is not settled to the satisfaction of the employee and the Union, or if no reply has been communicated after the ten (10) working days, the grievance may proceed to Step IV for positions governed by an established Board of Commissioners (Fire, BPW, etc.) and to Step V for all others.

**Step IV** The Union will inform the Board of Commissioners of the grievance, in writing and within five (5) working days of the Division Director's decision or lack thereof. The Union shall provide the Board with copies of all prior communications. The Board of Commissioners will be given twenty (20) working days to meet with the union representative, with or without the aggrieved party, and communicate a written decision to the Union. If the grievance is not settled to the satisfaction of the employee and the Union, or if no reply has been communicated after the twenty (20) working days, the grievance may proceed to Step V.

**Step V** Within twenty (20) working days of the Division Director's and/or Human Resources Manager's, or applicable Board of Commissioners decision, or expiration of the decision period, the Union will have the option of submitting the grievance to arbitration. The Union shall inform the Human Resources Manager in writing of its decision to arbitrate.

The choice of Arbitrator shall be by agreement of the two parties. However, if no such agreement has been reached within ten (10) working days notice of intent to arbitrate, the grievance may be referred to the Public Employee Labor Relations Board for the selection of the arbitrator in accordance with the procedures then obtaining. All decisions of the arbitrator shall be binding. The arbitrator shall have no authority to award a monetary remedy hereunder other than for lost compensation which would have been otherwise received pursuant to the terms of this agreement.

The operation of this grievance and arbitration agreement shall be subject to the provisions of Chapter 542 of the New Hampshire Revised Statutes Annotated.

**Time Limitations**

The city and the union may waive steps or extend the time for any action stated above by mutual consent in writing, but all the steps of this procedure shall be handled as expeditiously as possible with a view to promoting and maintaining harmony. Request of either party for extensions of time shall not be unreasonably denied.

Failure at any step of this procedure by the City to communicate a decision in writing on a grievance within the time specified shall permit an appeal of the grievance to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at the step.

No grievance will be considered unless it is presented in Step I within 15 days of the date that the employee and/or union became aware that a contract violation may have occurred.

**Right to Withdraw**

The aggrieved party has the right to withdraw the grievance at any time during the proceedings.

**Union Representation**

The City will allow the grieved party reasonable time to meet with Union representatives for the purpose of discussing and presenting the grievance. Whenever possible, the Union representative will notify their immediate supervisor when they are meeting with the grieved party.

**Fees**

The fees and expenses charged by the arbitrator shall be shared equally by the City and the Union.

**Mediation**

Grievance Mediation may take place, at no cost to either party, in the grievance procedure at any time if agreed by both parties. Either party may submit a request to the other requesting Grievance Mediation. The parties may use any mediator or service, including the Federal Mediation and Conciliation Service or may agree to mediate without a third party.

**Article 12**  
**Job Posting/Lay-Offs/Recall**

Each position shall be defined by a Position Description Form (PDF). All PDFs shall be reviewed and evaluated and assigned a grade. The Union shall have input in the PDF process and shall be notified when any PDF is being created, under review, being reevaluated or has been requested to be reevaluated.

Effective upon the ratification of this agreement, the City and the Union agree to meet and discuss the criteria for use in determining upgrades for positions and the procedures by which employees may request to have their PDFs reviewed for possible upgrade.

If after the posting of the notice, no qualified employee has applied, the notice of vacancy shall be posted externally in accordance with the Human Resource Department requirements.

Within 60 days of a permanent opening, the City shall either post the position and fill it as stated above or eliminate the position with such notice to the Union. The City can request an extension of time to fill an opening, which will not be unreasonably denied by the Union.

The settlement agreement concerning job postings Dated July 25, 2005 (Appendix F) is incorporated into this agreement.

**Selection of qualified candidate:**

The hiring manager shall make the final decision when filling the position; however, the guidelines for filling any open position prior to commencing work are based upon the employee's ability, qualifications, experience, background check, and/or a driving record check and the ability to successfully pass a physical examination, if required for the vacant position. The best qualified candidate shall be selected. Where qualifications between applicants are relatively equal, seniority as calculated in Article 10 will be used to award the position.

The notice for vacant positions shall not be posted, externally, until all internal applications have been reviewed and/or interviewed.

Each new employee shall receive a copy of the current Collective Bargaining Agreement covering the position (via electronic copy if appropriate) and be permitted reasonable time to meet with a Union representative. The city shall notify the union on or before the hiring date of any new UAW employee so that the union may send a representative to meet with the employee at the time of hire.

The City shall notify the Union (via email if appropriate) of each new employee as they are hired, including the employee's name, address, position title, department, and work location within five (5) business days of their employment with the City.

A promotional employee shall have a performance evaluation completed at least once during the probationary period. Should the promotional employee's performance be unsatisfactory, or should the promotional employee find the job unsatisfactory anytime during the promotional probationary period, the promotional employee shall be entitled to return to the position from which promoted within thirty (30) days of the promotion, unless extended for an additional thirty (30) days by management.

**Probationary Period:**

The probationary period for all new hires will be at least ninety (90) calendar days and may be extended by management in order to provide the employee additional time to be successful. In no case will the probationary period be more than 180 days. For promotional employees, the probationary period is 30 calendar days, unless extended as above.

**Rate of Pay:**

Persons appointed to positions for the first time shall be paid an amount within the established range for the position. All promotional probationary employees are eligible for any and all overtime opportunities.

When making layoff decisions, such factors as job performance, absenteeism record, and workload of personnel will be considered. If management finds all factors to be reasonably equal for the employees subject to layoff, then reverse seniority shall be utilized in making the layoff decision. In cases where an employee has five (5) or more years of seniority, the employee shall be eligible to bump the least senior employee remaining in a position class series in his/her department for which he/she is qualified, if any. In the event that there is no one available to bump in the department, the employee may exercise the same bumping rights in their division.

**Recall Provision:**

**Article 29**  
**Military Service**

Any full time employee covered under this Agreement who leaves to enter directly into involuntary active service in the Armed Forces of the United States is granted a military leave of absence for the anticipated length of service. A Military leave of absence entitles an employee to be reinstated to the position held, or one similar in pay and status, so long as the employee provides notice of his/her desire to resume such employment within thirty (30) days of discharge from the armed forces and the employee accepts such discharge at the earliest possible date.

**Article 30**  
**Military Reserve and National Guard Pay**

Any full time employee covered under this Agreement called to serve not more than a seventeen (17) day annual training tour of duty with the National Guard or Armed Forces Reserves will be paid the difference between his or her pay for such government service and the amount of straight time earnings lost by the employee by reason of such service, based on the employee's regularly scheduled straight time rate. Such payments are to be made following the showing of satisfactory evidence of the amount of pay received for such service.

An employee covered under this Agreement called to serve duty with the National Guard or Armed Forces Reserves in the time of war or national conflict will be paid the difference between his or her pay for such government service and the amount of straight time earnings lost by the employee by reason of such service, based on the employee's regularly scheduled straight time rate. Such payments are to be made following the showing of satisfactory evidence of the amount of pay received for such service.

**Article 31**  
**Deferred Compensation**

The City will continue to offer a deferred compensation plan to all employees covered under this contract during the term hereof so long as it is authorized to do so in the present manner under the Internal Revenue Code. Deferred compensation allows the employee to defer income and the associated taxes from their paycheck, until they receive the money sometime after retirement. Compliance with the Internal Revenue Code and any and all liability for taxation are the sole responsibility of the employee.

**Article 32**  
**Mileage Reimbursement**

**Use of City owned vehicles**

If you are assigned a City-owned vehicle and are allowed to take the vehicle home at night and on weekends, the Internal Revenue Service has ruled that the personal use of the city owned vehicle, that is commuting back and forth to work and any other non-work use, is subject to federal withholding and social security tax, where applicable. This rule does not apply to emergency vehicles specifically police and fire vehicles.

The deductions therefore will be made weekly, based on an annual evaluation of the value of the personal use of the vehicle. The personal use value shall be as required by the Internal Revenue Code and Regulations.

The multiplier used to determine the employees deduction shall be the current Internal Revenue Service mileage reimbursement rate.

#### **Mileage reimbursement**

If by nature of your job description you are required to use your privately owned vehicle you shall be reimbursed at the current city mileage reimbursement rate or the current Internal Revenue Service mileage reimbursement rate, whichever is higher. Requests for reimbursements must be submitted within 30 days of the date the mileage was incurred. The City will provide AFRI0 mileage logbooks for recording mileage.

All employees who, at the date of the signing of this collective bargaining agreement, currently use their privately owned vehicle, shall be allowed to continue to do so through the remainder of this collective bargaining agreement.

#### **Article 33 Travel**

Occasionally employees travel as part of their duties. When the need for travel occurs the City shall pay all cost related to the travel consistent with the City's travel policy. Cost shall include, but not be limited to: transportation cost [plane, train, automobile rental [if required], automobile at the prescribed mileage rate, etc.], meals including tax and tip, lodging [including all taxes and a five (5) minute phone call home each night] and other reasonably related miscellaneous expenses.

Travel mileage payments shall be computed by the Financial Reporting Office in accordance with the approved travel tables prepared by the New Hampshire Department of Transportation and Rand McNally.

#### **Article 34 Personnel File**

Every employee covered under this Agreement shall be entitled to access to supervisory records and reports of competence, personal character and efficiency, along with all other information maintained in their official personnel file. The City shall allow the employee access to their file within twenty four (24) hours notice. Upon request the City shall copy the file for the employee. Subsequent copies will be made at cost.

#### **Article 35 Protective Clothing**

The City shall provide employees with all legally required protective clothing at City expense. The City will, in its reasonable discretion, provide protective clothing and equipment to employees

performing operations in departments where it determines that such clothing and equipment will enhance employee safety or comfort.

In addition, the City will provide employees with a clothing allowance adequate to purchase four (4) sets of uniforms per year in departments where uniforms are required.

### **Article 36** **Performance Evaluations**

Performance evaluations shall be completed annually by the employees direct supervisor on or about June 30<sup>th</sup> of each year. The employee will not be required to sign said evaluation until such a time as all reviewing persons have had a chance to comment.

The City and the Union (both UAW units) shall form a six (6) person committee made up of three (3) Union members (with at least one member from each UAW unit) and three (3) City (management) members. This committee shall review the existing employee evaluation forms, which shall be used in the interim. Any recommendations by a majority of the committee on changes to the evaluation form shall be implemented for the following evaluation year.

### **Article 37** **Wages**

Effective July 1, 2011, increase the compensation grid by 0.5%, with all employees on the grid receiving the corresponding increase as of July 1, 2011 or date of hire, whichever is later. Only employees who are active employees on the date when cost items receive final approval are eligible to receive this increase.

Effective July 1, 2012, increase the compensation grid by 1.0%, with all employees on the grid receiving the corresponding increase as of July 1, 2012 or date of hire, whichever is later.

Eligible employees who receive a satisfactory job evaluation on June 30, 2013 will receive a one step increase on July 1, 2013.

The parties agree that the increases to the grid are cost of living increases and that only the steps on the resulting grid constitute part of a pay plan under RSA 273-A:12, VII.

In the event that an employee has not completed a satisfactory evaluation on June 30 of a fiscal year, the supervisor may, at his or her discretion, extend the employee's evaluation period for a period not to exceed 3 months. At the completion of that period, the supervisor will conduct an evaluation to determine if the employee has completed the goals for which he or she is being evaluated. If the employee then receives a satisfactory evaluation, he or she will be eligible to receive the step raise.

In the event that an employee is reclassified to a higher position within the bargaining unit, he or she will be eligible to receive the step raise regardless of the effective date of the reclassification.

Any newly hired employee or any employee promoted on or before December 31 of any calendar year will be eligible for a step raise provided that they receive a satisfactory performance evaluation for that evaluation period.

A list of initial grade assignments is attached as Appendix E. It is agreed that, during the term of this agreement, new positions may be created or grade assignments may change due to reclassifications. The City will pay the employee based on the new grade assignment.

**Provision applicable to the FY2012-FY2014 contract:**

If any city bargaining unit receives a more favorable wage package, the Union may open the wage portion of this agreement for renegotiation.

**Article 38  
Parking Garage**

All employees covered under this Agreement shall be allowed to park at no cost to the employee in any City owned or leased lot or garage while on city business.

The City will make parking passes available to all employees covered under this Agreement, to be used for travel to City Hall and other City locations on City business.

City Hall parking will be allowed in the Elm Street Parking Garage on the second level beyond the open gate or on the upper levels.

**Article 39  
Bulletin Boards/Mail**

**Bulletin Boards**

The City agrees to provide space for suitable bulletin boards in convenient places in each work area, to be used by the Union. The Union shall limit its posting of notices and bulletins to each bulletin board. Posted materials and notices shall pertain only to union business. The Union agrees to maintain such bulletin boards in a neat and orderly condition.

**Mail**

Officers or officials of the Union shall have the right to reasonable use of the City's in-house mail service for correspondence related to grievances.

**Article 40  
Disciplinary Procedures**

A. It is agreed that the City has the right to discipline or discharge employees for just cause. Discipline shall be corrective in its nature and ordinarily utilized progressively. Disciplinary actions shall normally follow the order below:

1. Verbal warnings
2. Written warnings
3. Suspensions without pay

#### 4. Discharges

Demotion may be used for disciplinary purposes in appropriate instances. In the event of suspension, demotion, or discharge, the reasons for the action taken will be given in writing to the employee within 24 hours.

It is understood that the severity of any particular infraction may warrant deviation from the aforementioned steps.

- B. Any employee disciplined or discharged shall, be entitled to the provisions of the Grievance Procedure, and will be allowed a representative of their choosing. If requested in writing by the employee, a hearing must be held with the Union, Division Director and the Human Resource Manager within seven (7) calendar days of the disciplinary action or discharge.
- C. Provided that the employee has not had recurrence of discipline within the specified period, written warnings will be removed from the employee's personnel file after twelve (12) months and all suspension shall be removed within two (2) years . The prior unexpired discipline is carried during the period of any subsequent equal or greater discipline.

#### Article 41 Earned Time

##### **Generally:**

Earned Time is an alternative approach to the traditional manner of covering absence for vacation, personal leave days, sick leave, and other types of leave. Instead of dividing benefits into a specific number of days for each benefit, earned time amalgamates these days, into a single benefit. Earned Time can be used for a variety of purposes including a payment in cash at the time of termination, but only as provided in this Article. Earned Time is accrued for any month in which an employee has been employed at least fifteen (15) calendar days, beginning the first day of any month. Paid leave and absences for jury or military reserve duty are considered time worked for Earned Time accrual purposes. While an employee will earn Earned Time days during his or her probationary period, he or she cannot take Earned Time until they have completed ninety (90) calendar days of employment with the City. If an employee leaves City employment before they have worked ninety (90) days, they will not be paid for any accrued Earned Time.

##### **Coverage:**

Employees who are employed in a position at least (20) hours per week are eligible to earn Earned Time. Part time employees, those working less than 40 hours, accrue earned time on a pro-rated basis. The accrual rates for full time employees are as follows:

Bargaining unit members employed by the city on June 30, 2009 shall continue to accrue Earned Time on the following schedule:

<b>Years of Service</b>	<b>Days Accrued per Month</b>	<b>Total Annual Days</b>
less than 5 years	2.25	27.0
5 to less than 10 years	2.50	30.0
10 to less than 15 years	3.00	36.0
15 years to less than 20 years	3.25	39.0
20 or more years	3.50	42.0
30 or more years	3.75	45.0

Bargaining unit members hired after June 30, 2009 shall accrue Earned Time on the following schedule:

<b>Years of Service</b>	<b>Days Accrued per Month</b>	<b>Total Annual Days</b>
less than 5 years	2.25	27.0
5 to less than 10 years	2.50	30.0
10 or more years	3.00	36.0

Years of service means continuous length of service with the City in accordance with Article 10, Seniority.

**Breaks in Service:**

In the event of reemployment after a break in service, as defined in Article 10, not exceeding 2 years, the employee shall accrue earned time as if that break in service had not occurred.

**Usage:**

All use of earned time shall be arranged in advance by the employee, and approved by his/her supervisor prior to the date of absence, except as provided in this paragraph. Earned Time days/hours may be used after being accrued. Earned Time is ordinarily used at the rate of one day of Earned Time for each day of absence. Employees presenting a request to use earned time less than 18 hours before the earned time use is to begin shall use earned time at the rate of 1 1/4 days of earned time for each day of absence. This special rule will not apply to the first seven (7) occurrences in any calendar year. Earned time shall be used in increments of hours under the FLSA. An occurrence shall be defined as the use of two (2) or more hours of Earned Time without the 18 hour prior notification. Notification may take place in person or via email or voice mail. When an employee calls in sick and subsequently remains ill for additional days, the employee shall only be charged 1 1/4 day of Earned Time for the first day of the illness. Should the illness extend for longer than a three-day period, the employee may be required to present a doctor's certificate or other evidence satisfactory to the city. Said certificate shall state that the employee was unable to work due to illness.

**Termination of Employment and/or Voluntary Quit:**

In the event of termination of employment, 100% of the terminated employee's earned time balance will be paid to him/her. In the event of termination due to layoff, 100% of the terminated employee's earned time balance will be paid to him/her. The employee may elect to defer payment for up to two years in anticipation of possible recall.

**Retirement:**

One hundred percent (100%) of any employee's unused Earned Time balance will be paid at retirement. "Retirement" shall be defined by the New Hampshire Retirement System or by Ordinance pertinent to the Board of Public Works Retirement System, as may be appropriate.

**Maximum Accruals:**

Earned Time accumulation shall not exceed sixty (60) days and total Earned Time days and Sick Leave Pool days combined shall not exceed one hundred forty-four (144) days in the aggregate. Balance in excess of these accruals shall be lost.

**Staffing Considerations:**

The parties expressly agree that all leave usage shall be effected in a manner consistent with the staffing and operational needs of the City so that services are efficiently provided to the Nashua Community. The parties agree to work cooperatively to achieve this goal. Abuse of the benefits conferred in these articles may be grounds for discipline.

**Article 42**  
Individualized Sick Leave Pools

**Generally:**

The sick leave pool is intended to provide security by allowing each employee to provide for extended illness, or other disability of the employee, or for the care of a sick family member, consisting of the following: employee's spouse, children, brother, sister, parents, or grandparents. The term spouse shall include domestic partner. When acquiring Pool days, employees convert Earned Time days on a one to one and one half (1 to 1 1/2) Sick Pool days basis. The employee may pick a given number of Earned Time days to exchange for Sick Pool days. This conversion is available annually in the employee's anniversary month. All Sick Pool conversion and usages is governed by this Article.

Sick Pool days are available for use only under the conditions listed below:

1. Use of Sick Pool days must begin on or after the fifth consecutive work day absence caused by illness, injury, or other disability certified in writing to the City by a physician.
2. The employee may continue using Sick Pool days until Sick Pool balance is zero at which point the employee may elect to use any remaining Earned Time.
3. Care of chronically ill relative or friend, or maternity/paternity leave, but only if the need for such leave is documented by a physician to the satisfaction of the City.
4. Doctor's reports may be required by the City at any time. Sick Pool leave may be denied by the City in the event that physician's certifications are not provided by the employee in accordance with this Article.

**Maximum Balances:**

No employee's Sick Pool balance shall exceed forty (40) days. A balance of up to ninety (90) days may result from initial conversion by employees of the City so employed on the date of execution of this agreement. No additional Earned Time days may be added or converted to the Individualized Sick Pool Leave until balance of that account is below 38.5 days.

**Retirement:**

Employees retiring from the City service shall be paid at their current straight time or salary rate for their Sick Pool balances, but shall not be paid therefore in the event of termination or resignation.

**Article 43**

**Professional Affiliations/Licensing**

The City shall bear the cost of all licenses and/or certifications required by various regulatory agencies [local, state and federal] to maintain the employees qualifications.

**Article 44**

**Safety Committees**

Two safety committees, each consisting of an equal number of union and management members, shall be formed to evaluate various safety issues and concerns. One safety committee shall consist of UAW Department of Public Works Employees and other UAW employees who perform significant work outside of City offices. The other safety committee shall consist of UAW employees who primarily perform office work. The committees shall make recommendations for implementation. The City shall provide information to the committee as requested, and shall provide the necessary clerical and/or administrative assistance as needed.

**Article 45**

**Union Business Leave**

There shall be a total of twenty (20) days of unpaid Union Business Leave per fiscal year for each UAW unit, which may be used by employees for participating in Union activities. Elected Officials and Unit Chairs may be granted unpaid leaves of absence for Union Business Leave not to exceed a collective total of an additional ten (10) working days per fiscal year for each UAW unit. No employee shall take more than 10 days of Union Business Leave unless mutually agreed by the parties. Requests for leave must be made by the individual to the supervisor, with the Union's approval, reasonably in advance of the use of the Union Business Leave to allow for appropriate coverage of operations. The City shall have the right to deny requests for Union Business Leave in the event granting such leave would result in an adverse impact on operations, however, such requests shall not be unreasonably denied.

When elected officials and unit chairs use paid time for union business, including contract administration, adjusting grievances, meeting with new employees and consultation with management, they will report the time that they commence and the time that they finish that union business to their supervisor.

**Article 46**  
**Working out of Classification**

An alternate rate equal to twenty cents (\$0.20) per hour less than the current regular rate paid for the alternate position will be paid to bargaining unit employees that have been assigned to work in a classification higher than the employee's regular classification, provided that the employee has worked a minimum of four (4) hours in any one (1) calendar day for an accumulated period of forty (40) hours within a twenty-four (24) month period. Once the employee meets the minimum requirements, then they shall remain eligible for the alternative rate indefinitely.

**Article 47**  
**Duration of Agreement**

This Agreement between the Union and the City shall commence as of July 1, 2011, and terminate at midnight on June 30, 2014. A party desiring to negotiate a successor agreement hereto shall give notice to the other party at least 180 days in advance of the expiration date hereof, otherwise this agreement shall be renewed for a period of one year without change. If such notice is given, the parties shall negotiate a successor agreement in good faith, in advance of the expiration hereof if possible, and if said successor agreement has not been concluded by the expiration hereof, the parties shall abide by the terms and conditions hereof thereafter to the extent required by law.

SETTLEMENT AGREEMENT

The City of Nashville, UAW, and AFSCME settle PELRB Case Nos. A-0410-78 and M-0640-7 as follows:

- 1. The UAW agrees that internal job postings of supervisory or administrative positions in UAW-represented bargaining units will be first communicated to all UAW and AFSCME bargaining unit employees. The job postings will be distributed to every department and posted on the City's bulletin boards for five working days to allow qualified eligible employees to apply. If after the posting of the notice, no qualified employee has applied, the job posting shall be posted externally in accordance with Human Resource Department requirements.

It is understood that under AFSCME's collective bargaining agreement with regard to promotions to supervisory or administrative positions, the language in its 2002-2006 agreement and any successor agreement shall continue to limit AFSCME to grieving only issues of City action and consideration for the posting and not the City's employee selection.

It is further understood that under UAW's collective bargaining agreement with regard to Article 12, Job Posting/Lay-Offs/Recall, the language in any successor agreement shall incorporate the understanding set forth in this paragraph and no further negotiation shall be required of the UAW by the City on internal postings.

- 2. All remaining portions of each party's collective bargaining agreement shall remain in full force and effect unless otherwise negotiated by the respective Union and Employer.
- 3. The City agrees that with regard to vacant or newly created merit positions, a notice of position vacancy shall be communicated to all merit and UAW bargaining unit employees before notice is communicated to other City or external candidates. Such first notice shall be distributed to every department and posted on the City's bulletin boards for five working days to allow qualified eligible UAW bargaining unit employees to apply. If after the posting of the notice no qualified UAW bargaining unit member has applied, the notice of vacancy shall be posted externally in accordance with the Human Resource Department requirements.
- 4. With the signing of this agreement, the parties agree to withdraw their pending charges in Case Nos. A-0410-78 and M-0640-7.
