ANALYSIS

NRO § 30-13, A establishes a School Capital Reserve Fund under RSA Chapter 34 for the purpose of financing costs of school building, construction, additions and renovations. NRO § 30-13, B provides that "expenditures from said fund shall be as directed by resolution adopted by majority vote of the Board of Aldermen." This resolution authorizes up to \$650,000 to be transferred from the school capital reserve fund into Capital Project Activity "School Improvements" for replacement of the High Schools' rubberized gym floors.

NRO § 5-130, H provides that "when proposed legislation to transfer or reappropriate a particular appropriation or portion thereof has had its first reading, such funds shall not be expended or transferred while the legislation is pending".

NRO § 5-19, J provides that "no resolution that transfers or appropriates money from any reserve account, expendable trust fund, or undesignated fund balance shall be introduced without an attached account analysis showing the impact of the proposed resolution on the account, and the direct financial impact to any other accounts. For the purposes of this section, an analysis is defined as the process of breaking down a complex topic or substance into smaller parts to gain a better understanding of it." Financial Services indicated that this analysis is in the legislation's fiscal note.
