**ANALYSIS**

This resolution applies \$4,200,000 of the undesignated general fund balance to the Calendar Year 2009 (Fiscal Year 2010) Tax Rate. With approval of this action, undesignated fund balance remains at or above the five (5) percent minimum as recommended by Department of Revenue Administration and the ten (10) percent as established by NRO §5-136, C.

A resolution to transfer \$2,000,000 from the Employee Benefits Fund into General Fund Undesignated Fund Balance is being introduced concurrently, and the calculations related to this resolution are based on the passage of that transfer resolution.

Per NRO §5-135, B, in order to use undesignated general fund balance to reduce the tax rate, this resolution must be approved on or before the board's second meeting in September (September 22, 2009) "by 10 members of the Board of Aldermen."
