**ANALYSIS**

This legislation establishes drug-free zones around Nashua Housing Authority properties. Authorization for this legislation is found in RSA 47:17, XVII. If this legislation is passed, the city must publish a map clearly indicating the boundaries of the drug-free zones, and the map must be posted in a prominent place in the Nashua District Court, the Nashua Police Department, and on all listed Nashua Housing Authority properties. The city must also develop signs or markings for the drug-free zones which shall: a) be posted in one or more prominent places in or near the listed Nashua Housing Authority properties; and b) indicate that the posted areas are drug-free zones which extend to 1,000 feet surrounding each property; and c) warn that a person who violates RSA 318-B, the controlled drug act, within the drug-free zones, shall be subject to severe criminal penalties under RSA 318-B and a penalty of up to \$1,000 under RSA 47:17, XVII.
