

## ORDINANCE

### AMENDMENTS TO FEES FOR SOLID WASTE DISPOSAL PERMITS AND DEPOSIT OF WASTE

### *CITY OF NASHUA*

*In the Year Two Thousand and Six*

*The City of Nashua ordains* that Chapter 10 “Garbage, Trash and Refuse”, Article II “Sanitary Landfills” of the Nashua Revised Ordinances, as amended, be hereby further amended as follows:

1. In Section 10-23 “Issuance, display of permits”, add the new underlined language and delete the struckthrough language as follows:

**“Sec. 10-23. Issuance, display of permits.**

(a) A disposal permit will be required for all non-city-owned vehicles before any such vehicle shall be allowed to dispose of waste material in any city landfill. A disposal permit shall be issued only to individuals or firms resident in the city and shall be valid only for the calendar year in which it is issued. Each permit shall be nontransferable and shall be affixed to the ~~upper~~lower ~~right~~left-hand corner of the windshield of each vehicle of the permittee. Transfer of a permit or failure to display a permit, or to comply with the rules and regulations as established by the board of public works, by the permittee will result in immediate revocation of dumping privileges without notice. The city may accept waste material from any New Hampshire municipality provided that any contract with any New Hampshire municipality be approved by the board of public works and the board of aldermen.

...

(c) Passenger vehicles and noncommercial vehicle permits shall not exceed a fee of five dollars (\$5.00). Commercial vehicle permits shall not exceed a fee of fifty dollars (\$50.00).

....”

2. In Section 10-24 “Fees for deposit of waste”, add the following new subsection (2) and renumber the remaining subsections appropriately:

“(2) For the commercial disposal of mattresses, a fee not to exceed ten dollars (\$10.00) as established by the board of public works. This fee is in addition to the applicable tipping fee. This fee does not apply to the residential disposal of waste by residential customers.”

3. In Section 10-24 “Fees for deposit of waste”, subsection (3), add the new underlined language and delete the struckthrough language as follows:

“(3) For all acceptable municipal solid waste other than that defined in other subsections ~~(1) and (2)~~ of this section, a sum charged on a per ton basis not less than sixty dollars (\$60.00) per ton and not more than ninety dollars (\$90.00) per ton to be established from time to time by the aldermanic finance committee in consultation with the director of public works and board of public works. There will be a minimum charge not to exceed one-half of a ton as established by the board of public works for commercial disposal of municipal solid waste, construction and demolition debris and sweepings. Waste from mobile home parks and multifamily residences, including apartment, condominium, rowhouse and townhouse complexes, shall be exempt from such fee in accordance with written procedures established by the division of public works.”
