

RESOLUTION

EXTENDING CONGRATULATIONS TO THE PAL JR. PEE WEE SPIRIT SQUAD

CITY OF NASHUA

In the Year Two Thousand and Five

RESOLVED by the Board of Aldermen of the City of Nashua that Congratulations from Mayor Bernard A. Streeter and the Board of Aldermen are hereby extended to the PAL Jr. Pee Wee Spirit Squad.

Cheerleading is a sport like no other. Each and every team member has a very important role in a routine. There are no back up players or second string. In August, this group of girls started practicing five nights a week with a great team of coaches guiding them along the way. They learned sideline cheers and technique. In September, they began learning a competition routine. In two short months, after hours of strenuous practice, the girls finally had their opportunity to show everyone in New Hampshire what they had been working so hard on. The Junior Pee Wee team cheered their hearts out and were honored when they were announced New Hampshire State Champions. This was a huge accomplishment for these athletes, as well as for this two year young organization. The girls then began practicing tirelessly to prepare for the New England Regional Cheerleading Competition that was held in Providence, Rhode Island. Again, their hard work was evident. The Junior Pee Wee team had a flawless routine and were awarded the first place trophy to become New England Cheerleading champions. This team has earned the honor of advancing to the American Youth Football Cheerleading Competition in Tuscon, Arizona on December 8th. This could be a once in a lifetime opportunity for these girls, as advancing to a National Championship is a great honor.

These girls are hardworking and the definition of good sports. The Nashua PAL Force Cheerleaders are ideal representatives of the Nashua Police Athletic League, the City of Nashua, and of New England. These girls should be applauded for their hard work and dedication to their team. We are extremely proud of each and every one of them. Your enthusiasm, hard work, dedication, and accomplishments bring recognition and pride to the City of Nashua. We thank you for your spirit.
