

## RESOLUTION

### EXTENDING CONGRATULATIONS TO THE NASHUA PAL JUNIOR MIDGET SPIRIT SQUAD

### *CITY OF NASHUA*

*In the Year Two Thousand and Eight*

**RESOLVED** by the Board of Aldermen of the City of Nashua that Congratulations from Mayor Donnalee Lozeau and the Board of Aldermen are hereby extended to the Nashua PAL Junior Midget Spirit Squad for winning the state, regional, and national championships.

There are a multiple factors for a team to be successful, beginning with the support of the association they represent, to the dedication of their parents who provide transportation to every practice and game, and finally commitment from the players themselves. The players must have the ability to believe in each other when the pressure is on and recognize in the end as long as they do what they have been coached to do then they are already successful. This team's dedication to each other and their selfless attitudes are attributes that must be demonstrated in order to be successful. But we all know that you cannot be successful without a coaching staff that believes in you, is willing to pick you up when you fall, and push you to the limits that you didn't know that you could accomplish.

Most of these Junior Midget Spirit girls have been together since Nashua PAL Force commenced four years ago. There is a camaraderie that is clearly seen throughout this team. In the four years since Force began, this group of cheerleaders has managed to win three state titles, two regional titles, and three trips to national competitions, resulting in two national titles. To obtain the accomplishments that this Nashua PAL Force Spirit Squad has is a tribute to the City of Nashua and the Nashua sports community as a whole.

These girls are hardworking and the definition of good sports. The Nashua PAL Force Cheerleaders are ideal representatives of the Nashua Police Athletic League, the City of Nashua, and of New England. These girls should be applauded for their hard work and dedication to their team. We are extremely proud of each and every one of them. Your enthusiasm, hard work, dedication, and accomplishments bring recognition and pride to the City of Nashua. We thank you for your spirit.
